County Commissioners
Saline County Courthouse
Wilber, NE 68465

Dear Commissioners:

We are pleased to announce that the Saline County Courthouse, which you own, was officially listed in the National Register of Historic Places on July 5, 1990.

The National Register is the nation's inventory of properties considered to be worthy of preservation. Listing does not affect the ownership of, or access to, the property. It does offer some protection from adverse effects arising from federally funded or licensed projects in the near vicinity. Listing also provides eligibility for certain benefits for income-producing properties under the Tax Reform Act of 1976, as amended, and the Economic Recovery Tax Act of 1981, as amended, and for matching grants-in-aid subject to availability of funds.

Enclosed is a copy of the nomination for your reference and files. Additional copies may be obtained from the Historical Society for \$3.00 per copy to cover nominal xeroxing and mailing costs. A leaflet on National Register plaques is included, but plaques are entirely optional. Please let us know if you have any questions.

Sincerely,

L. Robert Puschendorf
Deputy State Historic
Preservation Officer
